

Fed up with all the litter in Amersham??

## **Then become a volunteer Street Buddy**

As part of our ongoing development programme, we are looking for residents to become a street buddy.

A new initiative for 2011, street buddies are volunteers who keep a stretch of their road and pavement clear of litter.

You can make a big difference by adopting even the smallest area in order to maintain an attractive environment.

Pioneered in other parts of the UK, the scheme has proven to help eradicate unsightly litter problems.

Please get in contact with Steve Catanach at Amersham Town Council at [info@amersham-tc.gov.uk](mailto:info@amersham-tc.gov.uk) or on 01494 586892 if you would like to join the scheme.

We will supply you with bags, gloves and a yellow vest.
