Mark Vivis embracing his role as Town Mayor

It was an enormous privilege to be elected the Mayor of Amersham back in May and lead our formidable team of Councillors, Officers and Depot Staff to make Amersham an even better place to spend time in – be this living, visiting or working.

Having myself lived in Amersham for 30 years, I have seen the town develop and grow into what it is now a beautiful and vibrant place to be. I am very proud to have been elected Mayor and I undertake to carry out the role to the best of my abilities.

Our Council is committed to putting the **community** at the fore-front of all we do and I have already had the opportunity to see this in action. The Queen's 90th Birthday Concert in the Memorial Gardens was a fantastic success which highlighted the great

community spirit we have here in Amersham. This was also reflected at this year's Amersham Carnival & Town Show. Amersham in Bloom is also such an important part of our town and the volunteers are a huge credit. I very much hope that their determination and commitment to the initiative is rewarded when this year's Britain in Bloom results are announced.

The vision I have for my year as Mayor is to focus on each aspect of the job we do here and strive to be the best we can. By our nature we are an ambitious and driven council and we must ensure that the quality of our work is kept to a high standard.

We must also maintain a firm financial footing to ensure we can continue to deliver what our residents have elected us to do – to keep their community a **vibrant, diverse** and **pleasant** place to reside, relax and work.

We have had some fantastic events already this year and we still have Heritage Day to look forward to!

We welcomed a delegation from our twin town of Bensheim in Germany to Amersham at the beginning of July and I am committed to maintain and build upon the close ties between our towns – this being for the benefit of our schools, sports teams, community groups, businesses and residents.

One special part of my role as Mayor is being able to choose a local charity to lend my support and encouragement to throughout my term. I am delighted to inform you that I have chosen to support the **Roald Dahl Marvellous Children's Charity**, who have their headquarters in Woodside Road, Amersham. The children helped by the charity are battling serious illness but the Roald Dahl nurses are there to champion and support them to live the best life possible. I can, therefore, think of no better charity to work with during my term of office.

It is a huge honour to serve as Mayor of Amersham this year and lets continue to work in partnership to deliver the best for our town.

Amersham has a Ball celebrating Her Majesty's 90th Birthday

As the whole country got caught up in Royal Fever, Amersham got in on the action celebrating **Her Majesty The Queen's 90th Birthday**. A special band concert was held in the Memorial Gardens on Sunday 12 June featuring music from Amersham Music Centre, The Aylesbury Concert Band and Vanessa Bowers accompanied by Sheila Cornell. Tea, Coffee, Cake and Cream

Queen (or King) for the day!

Teas were the order of the day as well as the opportunity to create your own Royal Crown!

The Gardens were as busy as ever with residents and visitors in patriotic spirit waving their Union Jack flags with delight! As well as celebrating Her Majesty the Queen's 90th Year, the concert was also an opportunity to raise funds for **Dementia UK**, the former Mayor of Amersham, Cllr. Amanda Lamont's chosen charity.

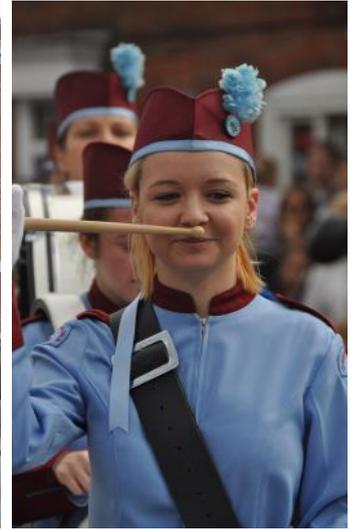

There were also some extra special additions to the day, including a dove release, a service provided by the Royal British Legion (escorted by ponies from Shardeloes Equestrian Centre) and the return of our Honorary Town Crier, Bob Higgins in full Town Crier regalia! A great day was had by all and we would

Amersham in Bloom is a Royal Effort

Volunteer numbers have increased by 100% over the past year.

Amersham has certainly been blooming this Summer with some truly spectacular floral displays flourishing throughout the town.

It was fantastic to welcome back the Britain in Bloom Regional and National judges on 28 July and 2 August respectively. The judges were blown away with how beautiful Amersham was looking and were particularly impressed with the displays in the Memorial Gardens, the floral **Union Flag** opposite the station, the planting at the road signs and Community (Sycamore) Corner. If you haven't managed to see them yet please drop by and take a look!

We would like to take this opportunity to say a HUGE thank you to our wonderful volunteers who have selflessly given their time and contributed above and beyond expectations this Summer!

The town has really come together to embrace our entry into both the

regional and national Britain in Bloom competition. The enthusiasm and commitment shown by the Town Council, bloom volunteers, local businesses, schools and community groups has been a pleasure and wonderful to see.

Amersham is one of only seven towns throughout the UK to be invited to take part in the National Britain in Bloom Competition following the much improved floral displays, better community engagement as well as the

efforts to improve the environmental quality of Amersham through more voluntary litter picks, an increase in wildflower areas and through better resource management.

The collaborative effort of our volunteers is not only about making Amersham look beautiful but also about contributing to the community and creating a legacy that will impact future generations. The feeling of **civic pride** amongst the residents is obvious along with their appreciation.

Gardens of Remembrance are befitting a Queen

The display in the Old Amersham Memorial Gardens really has captured the imagination of the residents and visitors like never before. We wanted to create something special to celebrate **Her Majesty's 90th Birthday** and we believe we have achieved our goal.

Designed by wonderfully gifted Andy Honour who was ably assisted by the **1st Chesham Bois Scout Group Leaders** we have constructed three 3-D structures that were subsequently planted by the Amersham in Bloom volunteers in conjunction with the Town Council. Over 5000 plants were planted individually to create these magnificent floral displays, which

5000 plants were used to create the three structures in the Memorial Gardens

The Rose Garden mosaic is a wonderful addition to the Memorial Gardens

from the design stage to completion accounted for over 700 volunteer hours. What a community effort and one which the whole town should be proud! We are most grateful to **The Entertainer**, celebrating their 35th Anniversary & **Ambers of Amersham** who sponsored the structures.

Continuing the Queen's Birthday theme we have replaced the tired border at the front of the Memorial Gardens and added a stunning 90th Birthday rose garden. A total of 26 roses have been planted, representing the age of the Princess when she came to the throne. If you look closely, you will see that each rose is named and has a link to our Monarch.

Also included in the Rose Bed, which has been sponsored by the Amersham Society, is a beautiful patriotic red, white and blue commemorative mosaic made by Amersham resident, **Deborah Brett**.

All of our schools entered our planter competition each of which are on display in the gardens. The theme was to create a wonderful planter representing a Commonwealth Country. We are delighted to announce that **Chestnut Lane School** and **St Mary's CofE Early Years** received a Gold Award for their beautiful planters as the winners in the competition. Well done to all who entered!

Heritage Day Quiz: What did the Drake family do for Amersham?

As part of **Amersham's Heritage Day on Sunday 11 September**, the Amersham Society, with the support of Amersham Museum, has devised a quiz which will run through the summer and finish in mid-September. The theme relates to the influence of one family over hundreds of years. You will find information sheets displayed in house windows and noticeboards around the Old Town giving all the answers – and much more!

Below are some of the questions. If you would like to enter the quiz you can pick up the Quiz Leaflets with all 12 questions in Amersham Museum, St Mary's Church, Amersham Town Council and Amersham Library. We hope you will find the quiz informative and fun; and there will be prizes for children and adult winners.

In the Middle Ages Amersham was divided into as many as seven manors but after 1626 the Drake (later Tyrwhitt Drake) family took over and combined them.

William Drake built the **Almshouses** at the top end of the High Street in 1657.

1. Why was Eleazor Retherupp, blacksmith called to the Almshouses in 1699?

Sir William Drake built the **Market Hall** in 1682 and William Wykham Tyrwhitt Drake restored it in 1911 (left photo).

The family also built a Monument Room – the **Drake Chapel** – in St Mary's Church where family members are buried and fine monuments erected. This is open on Sunday mornings after

services and will be open on Heritage Day.

2. Which member of the family died on the day of his wedding?

The town sent **two** members to parliament between 1624 until the 1832 Reform Act. Householders who lived in the borough of Amersham made up the 130 men who had the vote in parliamentary elections. **The Drake family decided to buy up as many houses as they could** and rent out the houses to tenants who would vote for them in parliamentary elections. There was no secret ballot until 1872; tenants knew they would be evicted if they voted for anyone else.

3. In what year did the Tyrwhitt-Drake family draw up a map showing the ownership of houses they wished to buy?

Amersham became a '**Pocket Borough**' because the position of both MPs was in the family's pocket. No one bothered to contest the election because they knew all the tenants would vote for the Tyrwhitt-Drake candidate.

4. Which member of the Drake family represented Amersham for 50 years without ever making a speech in the House of Commons?

During the late 18th and early 19th century there was a move to 'modernise' the houses by building **brick frontages** (and backs) to cover the half timbering.

5. How can we tell by looking at the back of the houses when they have been 'modernised'?

6. Which house in the High Street still has a number on **the inside** of the front door and why?

7. Why did the London to Birmingham railway **not** pass through Amersham?

8. In what year did the family sell most of their Amersham houses in a **grand auction**?

The grand auction map will be on display at Heritage Day
