

Amersham hospital shuttle bus service during Whielden Lane works

May 2020 | www.hs2.org.uk

Notification

High Speed Two (HS2) is the new high speed railway for Britain.

Shuttle bus details

Works will begin on Monday 18 May on the A404/A413 Whielden Lane junction to improve its capacity and safety ahead of HS2 construction traffic using the road to build the Chiltern Tunnel Amersham vent shaft.

Whilst these works take place, we have to temporarily close the hospital bus stop. Working with Buckinghamshire Council we will be running a replacement bus service from Monday 18 May between Amersham hospital and Gore Hill/A355 bus stops near Tesco.

This service will run seven days a week. Monday to Saturday from 7am to 6.30pm on a half hourly basis. Additionally, outside of outpatient appointments on a Sunday a reduced hourly service will operate from 7.49am to 6.30pm.

Details will be posted on the impacted bus stops.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
